

Speaking Techniques Activity Pack

This pack provides 8 ready-to-use classroom activities for speaking classes. Each activity comes with a clear procedure, timing suggestions, and teacher's notes.

1. Role-Play

Learners take roles in a simulated real-life situation (e.g., shopping, interview). Timing: 8-10 minutes.

2. Information Gap

Each learner has partial information and must ask/answer questions to complete the task. Timing: 7 minutes.

3. Picture Story

Students create a narrative based on picture sequences. Timing: 10 minutes.

4. Debate Mini

Short debate with a prompt question. Timing: 12 minutes.

5. Speed Talking

Learners speak non-stop for 1 minute about a given topic. Timing: 5 minutes.

6. Opinion Corners

Students move to different corners to defend their opinion. Timing: 10 minutes.

7. Story Cubes

Students combine random images/words into a creative story. Timing: 8 minutes.

8. Guided Interview

Students interview each other using structured questions. Timing: 12 minutes.
