

45-Minute Reading Lesson Plan + Assessment Sheet (A2–C1)

This resource helps teachers design structured reading lessons that lead to measurable learning outcomes.

Lesson Stages

Pre-Reading (8 min): Activate background knowledge and set a reading purpose.

While-Reading (22 min): Gist → Detail → Inferential reading sequence.

Post-Reading (10 min): Reflection and transfer activities.

Quick Assessment Checklist

- Identifies main idea accurately
- Finds key details efficiently
- Makes logical inferences
- Supports answers with evidence
